Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Difficulty coordinating team members' schedules for meetings.	Conducted online meetings using Google Meet/WhatsApp and shared updates regularly.
2	Miscommunication regarding task assignments and project progress.	Clearly divided responsibilities and maintained regular progress updates through GitHub and team discussions.
3	Delays in resolving technical issues during development.	Held dedicated bug discussion sessions, collaborated with the project guide, and used GitHub to track and resolve issues efficiently.
